The Emotional Toolkit - 5 Top Tips

We all behave because of how we feel underneath.

It is not OK to blame others for how we feel or to impose our negative feelings on others. This is a lack of responsibility, which is disempowering.

Communication is the key. Change starts when we can talk about it.

No matter what has happened in the past, there is always another choice for the future. We can choose to see things differently.

Our relationships are the building blocks for success and happiness.
